

## MINING APPLICATION

### ELBA D ERLIN 85 W 140

Sealed-and-lubricated track pins on Cat Track- Type Tractors and Track-Type Loaders. Track -Type Tractor equalizer bare Differentials and final drives on Cat Wheel Tractor- Scrapers, specific Articulated Trucks, Wheel and Mini Excavator s, Back hoe Loaders. Specific Articulated Trucks as recommended in your Operation and Maintenance Manual. Motor. Cold Planer direct drive transmissions, differential s and final drives. Drum bearings on Vibrator y Soil Compact Speed reducers on augers and elevators.

### ELBA MAXMOLY CSC 2

For grease fittings and lubrication points in high-load and high-speed applications.

### ELBA LC MOLY 2

For grease fittings and lubrication points in medium-load and medium-speed applications in piling, crushing and milling equipment, cranes, conveyors, and hoists.

### ELBA POLYUREA 2

Sealed-and-lubricated track pins on Cat Track- Type Tractors and T rack-Type Loaders. Track- Type Tractor equalizer bar e Differentials and final drives on Cat Wheel Tractor-Scrapers, specific Articulated Trucks, Wheel and Mini Excavator s, back hoe Loader s. Specific Articulated Trucks as recommended in your Operation and Main-  
 tenance Manual. Motor circle drives.

### ELBA POLYSYN 2

For high-speed ball, needle, and sealed-bearing applications such as electric motors, fan drives, starters, alternators, generators

### ELBA UNIVERSAL GEAR OIL

Designed for use in gears and bearings operating under severe service, heavily loaded, and/or shock condition Recommended for use in all types of enclosed industrial gear drives, bearings, chains, and slides requiring extreme pressure gear oils. Also has extremely good antifoam characteristics and superior water separation.

### ELBA OGL 00

Open Gears, Ball Mills, Slides, Rod Mills, Guides, Pebble Mills, Dipper Sticks, Grinding & Bowl Mills, Racks, Trunions, Drum Rings, Rotary Kilns & Dryers, Rails, Babbitt Bearings, Rollers, Pins & Bushings operating in dusty and severe conditions, even enclosed gears require regular lubrication maintenance

### ELBA PASTE

Specially formulated for high impact hydraulic attachments.
